And What Have You

By BOB CRAIG

I seem to be more interested in the Bi-District basketball game to be played Tuesday than I am on writing a column on Monday. Therefore I am going to pass along a couple items I picked up from reading some of my area newspapers.

The first comes from the Lamesa Press-Reporter column by Walter Buckel—

Did it ever occur to you... That a persons life is full of crosses and temptations? He comes into this world without his consent and goes out of it against his will, and the trip between is exceedingly rocky. The rule of contraries is the feature of the trip.

When he is little, the big girls kiss him; when he is big, the little girls kiss him. If he is poor, he is a bad manager; if he is rich, he is dishonest. If he needs credit, he can't get it; if he is prosperous everyone wants to do him a favor.

If he's in politics, it's for profit; if he isn't he's no good to his country. If he doesn't give to charity, he's a stingy cuss; if he does, he's trying to show off. If he is active in his religious beliefs, he's a hypocrite; if he cares for no one, he's cold blooded.

If he dies young, there was a great future before him; if he lives to a ripe old age, he missed his calling! It's a great life if you don't weaken — but, who wants to be strong!

This one is by Larry L. Crabtree in the Hood County News of Granbury—

Couple of fellers over in Wales have finally answered a 30-year puzzle for us.

When we were growing up, we never understood why a spanking or hairpulling caused so much more screamin' and yellin' among certain brothers and sisters than it did others.

The Old'un administered punishment with a rather even-hand—he simply whaled the bejabbers out of all the targets within range. But it seemed to hurt some more than others.

Now we know! It had to do with the color of their eyes.

Scientists at the University of Wales Institute of Science and Technology have discovered that people with light-colored eyes are more sensitive to pain than those with dark-colored eyes.

The fellers conducted tests on Caucasians and Blacks, Indians and Chinese and affirmed that the corneas of persons with light colored eyes are significantly more sensitive to pain than those of persons with dark-colored eyes.

As a matter of fact, blue eyes are twice as sensitive as brown eyes,

The Pipers had to overcome an 11-point third quarter deficit to defeat the Tahoka Bulldogs, 68-64, in the Snyder Coliseum Tuesday night to win the Bi-District Championship. The Pipers will meet the Childress Bobcats in the first round of the Regional Tournament in Lubbock Friday at 11:30 a.m.

The Bobcats got a late start on the basketball season as their football team played to the Quarterfinals and have a 16-13 season record.

The Pipers jumped out to an 18-5 first quarter lead only to see Tahoka come back in

the second period and take a one-point lead going in at half time. Tahoka came back in the third quarter and built their lead to 11 points before the Pipers started to rally on the strong play of Gerald Rodgers and Delbert Thompson.

Rodgers was high for the Pipers with 29 points and was closely followed by Thompson with 27 points.

Tom Botkin led the scoring for Tahoka with 23 points.

With 4:12 left in the third period, the Pipers closed the gap to nine points and had pulled within six at the end of the third quarter. Charles Brown sank a two-pointer to tie game up at 51-51 with 5:21

the gospel truth

by Bro. Marshall Townsley

"Stand fast therefore in the liberty wherewith Christ hath made us free, and be not entangled again with the yoke of bondage. For, brethren, ye have been called unto liberty; only use not liberty for an occasion to the flesh, but by love serve one another." Galatians 5:1, 13

These last few weeks we have seen that through the redemptive work of Christ the question of a "sin gulf" has been done away with once for all. We have established through scripture that the Christian will never again feel the wrath of God. (Is. 54:8-10) Oh, what a glorious truth it is to know God loves us! The above scripture says in fact, that you have been called unto liberty. Hallelujah to the Lamb! There is no freedom to compare with that which is in Christ!

Nevertheless, the Holy Ghost admonishes you in verse 13 not to use this liberty as an occasion to the flesh or an opportunity to sin. The wages of sin is still death. The Word says, "Then when lust hath conceived, it bringeth forth sin; and sin, when it is finished, bringeth forth death." James 1:15 "Know ye not, that to whom ye yield yourselves servants to obey, ye servants ye are to whom ye obey; whether of sin unto death, or of obedience unto righteousness?" Romans 6:16 When you decide to sin, you become the servant of sin, whether it be for a moment or a prolonged period of time. In order to

commit sin you must turn your back on the sweet fellowship and victory that God offers you and yield to the oppressions, fears, and various torments that Satan holds. Sin is deadly! "And, Let every one that nameth the name of Christ depart from iniquity." II Tim. 2:19 How shall we, that are dead to sin, live any longer therein? (Romans 6:2)

So, what's the answer? The love of Christ. Paul in his second letter to the church at Corinth said it was the love of Christ that caused him to live unto God and not himself. (II Cor. 5:13, 14)

If you feel free to carry on in sin, your love for God is not perfected. Those of you who try so very hard to hide and cover up your sin from those who watch so intently, don't realize the One most concerned said He was always with you. Let's get real! For as ye have yielded your servants to uncleanness and to iniquity unto iniquity; even so now yield your members servants to righteousness unto holiness. (Romans 6:19)

There is a popular saying that says, "The devil made me do it!" To that I say HOGWASH! People sin simply because they choose to with their own will; the same will that is capable of choosing righteousness unto holiness. The Father has given unto you, through Christ this liberty of choice. "...therefore choose life, that both thou and thy seed may live." Deut. 30:19

FROM THE FILES . . .

FIFTY YEARS AGO
(February 19, 1926)

It may have been that in the past there were a few conscientious "old maids" or older ladies in Hamlin who refused to go into a "regular" barber shop because that "mere man" was in full possession therein. But NOW there is no longer any excuse for them to go "ugly" for there is at their disposal a real sure enough Beauty Parlor, ruled over and presided over by two good looking young ladies who will prove that they can help nature, and transform almost any face or head into a thing of beauty in their "Parlor." These young ladies are Misses Roxie and Elsie Wienke, of Old Glory, our neighbor town in Stonewall County. They opened their parlor for ladies last Saturday in the balcony of the D. J. Payne Dry Goods store. Miss Roxie informs the Herald that she is a graduate of the Sellers School of Beauty Culture in Fort Worth and has had considerable experience in this art. These young women have come to Hamlin to make a go in this modern feature of ladies' requirements and will no doubt make quite a success.

C. W. Whitehead and associates are spudding in for a test well for oil or gas on the G. W. Bristow farm in the south part of the J. H. Gibson Survey No. 1, Abstract No. 489. The well spudded Thursday, February 18th. The location is 200 feet west of the Southwest corner of the Mrs. W. T. Green land in the John Bliss Survey, Abstract No. 487. This is the block of leases gotten up by Henry Evans, Judge L. Crow and J. W. Ezell with the cooperation of the various land owners in and around Skinout Mountain. The block is located about 10 miles South of Hamlin.

Holly Toler of Hamlin was elected president of the recently organized Jones County unit of the American Cancer Society, a gathering of county citizens last Thursday evening at Anson. The session, attended by several from the Hamlin area, was held in the Anson High School cafeteria.

The Celotex Corporation's Hamlin Division was recently awarded an engraved plaque representing the attainment of the greatest improvement in safety during 1955 of Celotex's many locations throughout the country.

Ninety-nine young musicians will be featured this Friday evening in the annual winter concert of the Hamlin School Bands at the high school auditorium. Curtain for the concert will raise at 7:30 o'clock, according to Jess Parrish, director for the combined High School Pied Piper and Junior High School Bands.

Mounting interest in the bond election Saturday which would provide funds for building of a new \$150,000 gymnasium and band hall for Hamlin High School is being evidenced this week in the Hamlin Consolidated Independent School District.

Voters of the 254-square-mile district that embraces Hamlin proper and a number of adjoining communities that have consolidated during the past several years, will vote at the Hamlin High School building between the hours of 7 a.m. and 7 p.m. Voters must be property owning taxpayers of the district.

Judge for the election will be J. S. (Dickie) Ferguson.

The \$150,000 proposal can be financed from present renditions and tax levies, members of the school board point out, but an election is necessary in order to legalize the bond issue.

On the official ballot will be three propositions:

For or against the issuance of bonds and the levying of a tax in payment thereof.

For or against maintenance tax.

For or against the assumption of indebtedness and levying of a tax in payment thereof.

TEN YEARS AGO
(February 24, 1966)

A loss of \$45,000 has been estimated following the early Sunday morning fire which destroyed the hull house and mixed feed plant at the Plains Co-op Oil Mill, in east Hamlin. The fire was discovered about 4 a.m. Sunday morning and was under control of the Hamlin Volunteer Fire Department by 10 a.m. The hull house was almost filled at the time of fire. The value of the contents lost was \$15,000 in products. The steel building was torn away to control the blaze, leaving the mound of hulls on the right. A portion of the mixed feed plant is on the left. The mill is still in operation and plans are to rebuild as soon as possible.

Five members of the Hamlin FFA Chapter entered the 5th annual Odessa FFA Invitational Livestock Judging Contest Saturday in Odessa. Team members were Randy George, Robert Moore, and Pat Jenkins. Alternates were Steve Feagan and Keith Bundas. Three classes of sheep, three classes of swine, one class of steer, and one class of feeder calves were judged. Milburn Wink, local vocational agriculture, accompanied the team.

Three city officers will be up for bids at the April 5 election here. Terms of office of the mayor and two alderman now held by Mayor Hollis Madden, Alderman Bill D. Davis and Edward Gardner are expiring. All have announced for re-election.

Judy Jenkins, a senior at Hamlin High School and daughter of Mr. and Mrs. E. N. Jenkins, has been notified of her selection as a member of the staff or counselor for the 1966 Girls State to be held at Austin, Texas, at the Texas School for the Blind, June 15-24.

The Hamlin Piperettes, 5-AA District winners, will meet Marfa, winner of District 6-AA, Saturday at 7:30 p.m. in the Coahoma High School Gymnasium in the first round of Regional tournament. The winner will meet the winner of Districts 7-AA and 8-AA at 12:30, Saturday, Mar. 5, in Lubbock. Coached by Dan Truelove, the team includes Pauline Womack, Glenda Hudspeth, Willie Cork, Margaret Cooper, Linda Bailey, Pauline Lakey, Kay Hodnett, Gill Paige, Judy Jenkins, Donna Compton, and the manager, Geneva Ward.

and the brown eyes of whites are twice as sensitive as the darker brown eyes of dark-skinned eyes.

And evidently, blue-eyed people are more sensitive to pain over all the body than are brown-eyed people.

The study confirmed suspicions held by opticians for years. Opticians had noted that brown-eyed individuals adjust much more quickly to contact lenses than blue-eyed individuals.

In addition, opticians had noted that more drugs are necessary to obtain the same potency in brown eyes than in blue or green eyes.

We can't help but wonder if it takes more drugs to knock out a brown-eyed person than a blue-eyed person, why is a brown-eyed Indian unable to hold his liquor?

Anyway, if you are the mother of a blond, blue-eyed daughter, you can go easier on the switch 'cause it hurts more.

Of course, if you're a young man out sparking a blue-eyed blond, you might have to handle her easier—she's more sensitive. All of which might explain the old saying that "blondes have more fun!"

There is a need to look back occasionally to get our bearings for the future. Past experiences often guide future action. What has proved good and profitable in the past will often prove to be the same in the days ahead. Serving God and our country through our churches and through civil and community service has always elevated us as a people and contributed to our image as a free and just country. We will not go wrong in adhering to these practices.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

Funeral Service Held Saturday for George LeFemier

Funeral for George Ray LeFemier, 19, 1509 Portland, Abilene, a former Hamlin resident, was held at 2 p.m. Saturday in Elliott-Hamil Chapel of Memories in Abilene.

He was killed Thursday when his car ran off west U.S. 80 and traveled about a quarter of a mile, at one point jumping a drainage ditch.

Justice of the Peace Silas Clark said the car "was airborne for 78 feet and then it hit the west bank (of the ditch), then it was airborne for another 38 feet after hitting the bank." The car apparently never turned over and the driver was not discovered for several hours. He estimated the accident occurred about "6 or 7 a.m. or earlier."

The scene of the accident was about a mile east of the intersection with Interstate 20.

Born June 7, 1956, in Washington, D. C., he moved to Abilene from Hamlin in 1969. He attended Cooper High School and was employed by Burger Drilling Co. The Rev. W. L. Little, pastor of First Church of the Nazarene, officiated. Burial was in Cedar Hill Cemetery. Survivors include his mother, Mrs. Jack Hames, 1509 Portland; his father, George LeFemier of Ashland, Wis.; his stepfather, Jack Hames, 1509 Portland; four sisters, Mrs. Ronnie Jenkins of Abilene, Mrs. Ronnie Hurst of Odessa, Mrs. Randall Minear of Midland and Patricia LeFemier of Odessa; and his maternal grandmother, Mrs. Ray Ward, 1509 Portland.

Mr. and Mrs. Sammy Glenn Bond of Granbury are the parents of a boy, Shannon Jeremy LeRoy Bond, 8 lbs. 15 oz., born Feb. 21 at 10:20 p.m. They have two other children. Maternal grandmother is Mrs. Cloreen Fugate. Paternal grandparents are Mr. and Mrs. J. W. Bond.

Philosopher Thinks He Has Discovered The Greatest Crisis Facing the Nation Today

Editor's note: The Neinda Philosopher on his Johnson grass farm on Route One thinks he has discovered some news of grave importance, his letter this week reveals.

Dear editor:
Some people think that the greatest problem facing us this year is the election of a President. Others say the problem is inflation, others unemployment, others the energy crisis, while others say it's our foreign policy and worldwide unrest.
They are all wrong. The greatest crisis facing the people of the United States this year is the fact that Dr. Benjamin Spock is changing his baby book.
Here's the situation: 28 million copies of his book, "Baby and Child Care," have been sold since it came out in 1946. Figuring the average of three and one-third children per family, although you could round it out at four on

the basis that at least one out of every three kids is a double handful, that's over 93 million people living today who were brought up according to the precepts of Dr. Spock, as he was thinking in 1946.

But now Dr. Spock says, "The way I was thinking before is not the way I'm thinking now," so he has rewritten the book to reflect this change in attitude.

Do you realize what this means? There are 93 million people spread out over the country who now have to be called back in and trained all over again. All that stuff they were brought up on, with their mothers patting their back for colic with one hand and holding their copy of Dr. Spock in the other, has now been re-called.

You stop and figure, if 93 million out of our population of 200 million were trained wrong as babies, what else could you expect than to find the country in the shape some people claim it's in? No wonder the country's got problems.

Changing the subject, notice that Henry Kissinger has been complaining again about leaks, but unless

somebody leaks his papers, how would the State Department ever find out what our foreign policy is?
Yours faithfully,
J.A.

Mr. and Mrs. Shannon Dale Worthington are the parents of a girl, Shannon Dee, 8 lbs. 8 1/2 ozs., born Feb. 24 at 5:30 a.m. Maternal grandmother is Mrs. A. C. Sego of Rule. Paternal grandparents are Mr. and Mrs. A. H. Worthington of Aspermont.

Funeral Service Held Monday for Mrs. Briscoe, 62

Funeral was held Monday at 10 a.m. for Mrs. Floyd Briscoe, 62, at the First Baptist Church. She died at 9:50 p.m. Friday at West Texas Medical Center in Abilene after a lengthy illness.

The Rev. Howard Jones, pastor, and the Rev. Marshall Stewart, pastor of the Nazarene Church, officiated. Burial was in the Hamlin Memorial Gardens.

Born Johnnie Marie Edmondson Nov. 24, 1913, in Palmer, she was the daughter of the late Mr. and Mrs. M. L. Edmondson.

She married Floyd Briscoe Jan. 20, 1932 in Acme. They lived in Houston before moving to Hamlin in 1947.

She was a member of the Baptist Church and Order of Eastern Star.

A "TIGHT" HOUSE SAVES MONEY

Insulation might have been optional when electricity was 1¢ per KWH. But at today's rates insulation can pay for itself many times over. For example—an uninsulated house can cost 50% more to heat than one with insulation.

The Electric Cooperative suggests that you check your own heating and cooling bill, then "button up" your home with good insulation and lots of it. A "tight" house conserves energy and saves you money.

COMPARE Sweetwater Savings' earnings with other savings plans!

A simple fact: SOME SAVINGS PLANS YIELD MORE THAN OTHERS. Why? Two factors determine the ANNUAL YIELD on a savings account. First, is the interest rate, and second, is the method of compounding that interest rate. Daily compounding produces a higher annual yield than quarterly compounding.

Before you deposit your hard earned money into a savings account, compare the ANNUAL YIELD with the ANNUAL YIELD at Sweetwater Savings. WHY TAKE LESS?

Compare Sweetwater Savings' rates, terms and ANNUAL YIELD with other savings plans.

SWEETWATER SAVINGS ANNUAL RATE	TERMS	SWEETWATER SAVINGS ANNUAL YIELD*	OTHER PLANS' ANNUAL YIELD*

CHEESE TOPPED CORN BREAD

1/4 cup chopped onion
1 Tbsp. Parade butter or margarine
1 7/8 1/2 oz. package Parade corn muffin mix
1 cup shredded process American Cheese
1/4 tsp. celery seed, or to taste
Parade garlic salt
paprika

Preheat oven to 375°. Cook onion in butter until tender, but not brown. Prepare muffin mix as directed on package; spread batter in a greased 8x8x1-1/2 inch cake pan. Sprinkle cheese evenly over batter; dot onion-butter mix over all; sprinkle with celery seed and add garlic salt to taste. Lightly sprinkle paprika over top for color. Bake about 20 minutes or until the topping is a deep golden brown. Serve at once. NOTE: The topping bakes down in, to "dimple" the corn bread.

PATRICK HENRY

His speech, delivered on Mar. 23, 1775, is one of the most famous in U.S. history. It encouraged the colonies to prepare for the war of independence. Henry spoke, "Gentlemen may cry peace, but there is no peace. The war is actually begun. The next gale that sweeps from the north will bring to our ears the clash of resounding arms. Our brethren are already in the field. Why stand we here idle? What is it that gentlemen want? What would they have? Is life so dear, or peace so sweet, as to be purchased at the price of chains and slavery? Forbid it, Almighty God! I know not what course others may take, but as for me, give me liberty, or give me death!"
